A Rabbi Looks At Jesus' Parables

Synopsis

Intended to appeal to both Christians and Jews, *A Rabbi Looks at Jesus' Parables* is an introduction to the teachings of Jesus, and compares the similarities and differences in Jesus' thinking to other Jewish sources from first-century Palestine. Each chapter uncovers hidden messages within each of Jesus' parables, and discusses each parable within its first-century religious and historical context. The book attempts to build bridges of understanding between Christians and Jews by exploring the notion that we share a common history.

Customer Reviews

This is a great book to understand the perception that culture and time. The author is great, and I've also been attending his class "History of Judaism" at Orange Coast College. This book was shipped immediately, and came without scratch or dent.

I learned a lot about the Jewish culture behind the parables. Knowing the Jewish background added a real depth to my understanding of Jesus' parables.

An excellent choice to add to my library, it's an easy to read book that's thought-provoking and has lots of learning nuggets.
