Secrets Of The Celtic Cross: The Secret History Of The Worlds Most Popular Tarot Spread Featuring New Tarot Reading Methods

Synopsis

The Celtic Cross is the world's most popular Tarot spread and has been used since its publication in 1909. However, the true author of the spread and its first use in the secret Order of the Golden Dawn has never been revealed until now. Discover the true history of the spread and then learn powerful new ways of reading it for discovering the outcome of every situation. The main part of the book is a 20-step approach to outcome-orientated reading with the spread using modern techniques of NLP. The book also gives you the Celtic Square variant method which is ideal for face-to-face readings and really understanding the patterns causing any situation. This book also reveals the first original layouts of the spread from the Golden Dawn archives, first published in Tarosophist International.
