She wanted to destroy the evil Sphunkons, an alien clan that was responsible for her dadâ€™s death, not just to avenge him but to finish the mission he had left behind. When legendary star space fighter Mike Gomez was designated to teach their final Space Combat class, Carrie did not expect him to give her a difficult time, repeatedly humiliate her, and practically tell her that she was no good. Would he get in the way of her dreams? Or would the intensifying tension between them develop into romantic attraction? But there was more to Mike than Carrie realized. And as Carrie discovered his secrets, she found herself falling for him despite his apparent efforts to evade her. Bonded to the Cyborg Josiahâ€™s mission is to travel to Earth to observe and gain all the information he could about human women. His race is endangered and needs women from Earth to help rebuild the Rodonian population. Josiah is simply carrying out his duty on Earth when he comes across Melanie. She enraptures him and all he can do is watch her from afar. Melanie knows someone had been following her around for some time now and when she figures out it is Josiah she confronts him in a passionate argument that leads to much more. Melanie canâ€™t fathom why she feels so attracted to Josiah, or why she feels as if she had known him for a lifetime. The two fall in love almost instantly and then Melanie finds out that Josiah is not human at all. He explains himself to her and asks Melanie to return with him to his home planet Rodon. On their way back, Rodon suffers a disaster, and Melanie and Josiah must help save the planet and its people from extinction.
