White Bound: Nationalists, Antiracists, And The Shared Meanings Of Race

Synopsis

2013 HONORABLE MENTION, ASSOCIATION FOR HUMANIST SOCIOLOGY BOOK

AWARD2012 FINALIST, SOCIETY FOR THE STUDY OF SOCIAL PROBLEMS C. WRIGHT MILLS

BOOK AWARDDiscussions of race are inevitably fraught with tension, both in opinion and

positioning. Too frequently, debates are framed as clear points of opposition--us versus them. And

when considering white racial identity, a split between progressive movements and a

neoconservative backlash is all too frequently assumed. Taken at face value, it would seem that

whites are splintering into antagonistic groups, with differing worldviews, values, and ideological

stances.White Bound investigates these dividing lines, questioning the very notion of a fracturing

whiteness, and in so doing offers a unique view of white racial identity. Matthew Hughey spent over

a year attending the meetings, reading the literature, and interviewing members of two white

organizations--a white nationalist group and a white antiracist group. Though he found immediate

political differences, he observed surprising similarities. Both groups make meaning of whiteness

through a reliance on similar racist and reactionary stories and worldviews.On the whole, this book

puts abstract beliefs and theoretical projection about the supposed fracturing of whiteness into relief

against the realities of two groups never before directly compared with this much breadth and depth.

By examining the similarities and differences between seemingly antithetical white groups, we see

not just the many ways of being white, but how these actors make meaning of whiteness in ways

that collectively reproduce both white identity and, ultimately, white supremacy.

Book Information

Paperback: 296 pages

Publisher: Stanford University Press (August 22, 2012)

Language: English

ISBN-10: 0804776954

ISBN-13: 978-0804776950
