Sex, Lies & Lipstick (Sex And Lies Book 2)

Synopsis

Mac Callahan, a seasoned FBI agent in Washington, D.C., has given up the fast lane to live a life of sweet tea and sunshine in Alabama with the girl of his dreams, Samantha Peterson. But Mac's years of bringing down drug lords and psychotic criminals is about to catch up with him just as he's resigned himself to leave it all behind. Finally getting the husband and family she's longed for, Sam finds that life at Mac's plantation, Lone Oak, is a Southern girl's dream full of romance, love, lipstick and pearls. It's all Southern charm and Champagne between the sheets until a psychotic stalker sets his sights on completing an unfinished grudge. Carefully planning, Hector Quintes has patiently waited to crash Mac and Samantha's happily ever after. No one Mac Callahan loves is safe – least of all Samantha. When they said, "until death do us part," neither knew how soon that could be and as Hector becomes intimately close to their family, the line between friend and foe grows strangely blurred. It's a deadly game of cat and mouse, but who is chasing whom?

Absolutely loved this book!!! I fell in love with the characters in Sex, Lies and Sweet Tea, and really enjoyed watching their story continue. Mimi has some great one-liners and reminds me so much of my own southern grandmother! The teasing we got with Polly and Leo's story leaves me anxious for the next installment of this series! Highly recommend this book!

The first book in the series hooked me, but this one fell a little flat in my opinion. I hope the next book in the series is able to hook me in. Now don't get me wrong, I liked this book, but it could have been a bit better.

The second installment of the Moonlight and Magnolia's series by Kris Calvert was a fast action love story with a touch of mystery added in. We got to see some added dimension to Mac and Samantha's relationship, and really see Sam's strength in this story. I really enjoyed the chapters from Polly's perspective and look forward to more of her story in the future. I just adore Mimi, who provided some great laugh out loud moments for me! I look forward to seeing where life takes these characters next.

I really enjoy this series and the 2nd installment didn't disappoint. Lots of sexy romance and suspense that will keep you turning the pages. Love every scene that Mimi is in, she's great for laughs and advice. And I can't wait to see what happens next with Polly and Leo!

Although I've had to read this book in shifts (two teenagers in high school!!!) I'm tickled to have finished it! I'm so crazy about these characters and with the stories I see unfolding with their friends! I am still chuckling over the thought of Mimi and her spunkiness!! I'm looking forward to the third book and to reading "Sparks Fly" next!!

Sex, Lies & Lipstick continues the story of Mac and Sam, from Sex, Lies & Sweet Tea. FBI Agent Mac has now semi-retired, and Sam has given birth to a beautiful baby girl. This book starts with their wedding day. A villain from Sex, Lies & Sweet Tea makes a reappearance in the book and threatens to ruin their special day. Filled with death, suspense, life, and mystery the story unfolds as the author tells the tale from various points of view. Well-written and just the right paced action. I am certainly looking forward to the next book in the series to continue the saga.

This series is so good. This was just as good as the first book! I loved Mac and Sam and their

devotion to one another. I also loved the nursing home with Mac's mother and Sam's grandmother. Mimi is so feisty and funny! This book has it all romance, mystery, suspense, humor, and heritage.

Continuing the tale of Mac and Samantha is a roller coaster journey. These characters are well developed and make you feel as if you know them personally. The storyline is quite entertaining and nerve wracking. Mimi adds wisdom and humor to the lives of those around her. An overall great read!
