A solid update to the Vampire Counts Army. I wish the book itself was cheaper, but the look and feel are great. I don't think the hardcover was necessary, but it does make the book more durable. Still, the new rules are fun and interesting, albeit I'm a little bummed they cut the Magic Items list so significantly.

Very caring company!!! Sent a new book when I did a review as the book that wasd received the first time had a rip in the corner, They sent me a new copy and a return addressed sticker to send the other book back at no cost to me.Thanks again my grandson is enjoying the book very much!!!Thanks,Jill
