Ghosts Of Salem:: Haunts Of The Witch City (Haunted America)

Synopsis

Nestled on the rocky coast of Massachusetts, Salem is a city steeped in history and legend. Famous for its witch trials, the storied North Shore seaport also has a dark history of smugglers and deadly fires. It is considered one of New England's most haunted destinations. Inside Howard Street Cemetery, the ghost of accused witch Giles Corey wanders among the gravestones. Outside the Ropes Mansion, the ghost of Abigail Ropes can be seen peeking out of the windows. The Gardner-Pingree House on Essex Street is host to the spirit of sea captain Joseph White, a man whose murder in 1830 inspired literary giants like Edgar Allan Poe and Nathaniel Hawthorne. Join author and paranormal journalist Sam Baltrusis on a chilling journey through the streets of Salem as he chronicles the historic haunts of the Witch City.

Have you ever been to Salem, if not, you must take the time and take a trip there. I have been in love with Salem since 1993. It all began with the movie "Hocus Pocus" My first trip there was in 1996 with my daughter Kandace. When I arrived in Salem, it felt like home, like I had been there and lived there all of my life...+ I remember the first morning there, we stayed at the Stepping Stone Inn, the year 1996, the month of May, I got up early, walked down English Street onto Derby Street and I saw the lighthouse on Derby Street, I walked down to then end of the Wharf, the sun shinning, the waves of the Atlantic Ocean glistened in the sunlight, like diamonds in the rough. It was so

beautiful, I couldn't believe I was standing there...+ The City is so Magical, it is full of history, like the witchcraft trials of 1692, the maritime trade, the author era, the clothing Mills, Parker Brothers, Laurie Cabot (OWOS), the Peabody Essex Museum (a must see), the Salem Witch Museum, Witch shoppes of all kinds, physic readings almost everywhere and Haunted Happenings, an event that you must see once in your lifetime. I have been to Salem several times since then and I plan to go again soon. As a writer, this town has strengthened my creativity, it has been my inspirations. Every time I take a trip to Salem, I stay at the Stepping Stone in, the proprietor, makes you feel very welcome and at home, and it is a hop, skip and a stones throw away from all the wonderful sites that you will experience...+ With that being said, this book is one of the best and most well researched books that I have ever read and had the pleasure to read...
