Customer Reviews

Very soon I will be taking a tour of the historic Waverly Hills Sanatorium, so for a \$1 I figured I'd check this out. Not a book at all, but at 30 pages THE HISTORY OF WAVERLY HILLS SANATORIUM is basically a pamphlet with little info, that you would be better suited just saving your dollar and looking up online, of which, there is tons more info, and for free. I give this 2/5!

A fascinating read about a tuberculosis hospital. A good resource for medical history.

Not enough information really but it was a good read. It could have been longer with more patient info and hauntings.
