# Kratom: The Truth About Mitragyna Speciosa: An Introductory Guide To Capsules, Powder, Extract, And The Full Effects

## Synopsis

You're about to discover the crucial information regarding kratom. It can be overwhelming if you are trying to find honest, factual information because of all the random opinions out there on the Internet. You also have to be careful about the misinformation that is coming from online sources, especially those with financial incentives. This book serves to be an unbiased guide so you can understand all of the important information before you invest money or time into trying kratom. This book goes into the origins and history of *Mitragyna speciosa*, how kratom works, the science behind it, the positive and negative effects of consuming kratom, the different ways to consume it, and the legality and dangers involved. By investing in this book, you can get a grasp of the topic so you can make a solid decision about what you put into your body or even help other people in your life.

Parapsychology > Out-of-Body Experiences #209 in Books > Medical Books > Medicine >

Reference > Drug Guides #504 in Books > Audible Audiobooks > Science > Medicine

## Customer Reviews

It is my first time hear about Kratom. This book does great work not just to introduce us about kratom, but also includes the history, backup research, and the pros & cons of using one. The author even tells how we could take it in all kind of forms. After reading this book, I started to wonder if there is any product or supplement has Kratom as one of the ingredients. I am so ready to explore more about it. Thanks for the great writing and informative book. I have learned a lot.

Could use more info on prep & measurements.....but otherwise a general read for beginners.

Interesting and hopeful read. We have two questions. Where can one purchase this product with reliability and without any adulteration . Dosage info ?

I was hoping for an in depth look at the varieties and side effects of this botanical. I had found most of this info on the Internet.
