I can't stress enough how important this book is for these times...I thought I knew a lot but it opened my eyes on how demons operate and how we leave these doors open...even after getting saved

you can still have demons in you... plus all the hidden things going on in the world...I couldn't stop reading...great deliverance prayers and how to prepare...I have a lot of books by Deerek Prince, Tom Horn many many others ..this book has opened my eyes the most...highly highly recommend!!

Excellent book!! A must read to understand the times we are living in ‘•

Excellent book dealing with the demonic realm. The author is sincere and very knowledgeable on the subject. Some of the chapters need a little editing to polish it up but over all I was happy with the book. Did alot to expand my knowledge of how the spiritual realm works. Especially generational curses.
