# Dead Man (Black Magic Outlaw Book 1)

## Synopsis

I'm Cisco Suarez: necromancer, shadow charmer, black magic outlaw. Sounds kinda cool, doesn't it? It was, right until I woke up half dead in a dumpster. Did I say half dead? Because I meant 100% dead. Full on. I don't do things halfway. So here I am, alive for some reason, just another sunny day in Miami. It's a perfect paradise, except I'm into something bad. Wanted by police, drenched in the stink of dark magic, nether creatures coming out of the woodwork, and don't get me started on the Haitian voodoo gang. Trust me, it's all fun and games until there's a zombie pit bull on your tail. I'm Cisco Suarez: necromancer, shadow charmer, black magic outlaw, and totally screwed.

## Customer Reviews

I discovered Domino Finn when he released the first book in the Sycamore Moon series. I thought the three books in the trilogy were some of the best supernatural thrillers I'd read in a long time. Recently, Finn sent me the first two books in the Black Magic Outlaw series. Although I was in the middle of reading two other books, I set them aside, and delved into DEAD MAN. I am thankful I did.

(If you want the book synopsis, read it on Goodreads/). Basically, Cisco Suarez has been dead for ten years, that is until one day he wakes up at the bottom of a Dumpster in Miami. He has no recollection of where he's been, or what he has been up to. As soon as he climbs out of the Dumpster one thing is clear. Someone still wants him dead. The dark fantasy revolves around two cases. Cisco wants to know who killed him, and why, and who killed his family. As a back-from-the-dead man, he has nothing to lose. Calling on his practiced magic, he will use all of his power to unravel the mysteries. Finn's writing is outstanding. The character development is some of the best I've read in a while. I hate comparing books to books by other authors. However, if you are a fan of Jim Butcher's Dresden novels, and/or Steven Kozeniewski's BRAINEATER JONES, then you have some idea of what you are in for with DEAD MAN. Lots of magic, but from an array of sources. I feel like I learned a thing or two about the different practices. The dialogue is spot on, and the action is non-stop. During the times of day when I couldn't be reading, I spent time thinking about Cisco and his predicament. The tension just kept building, and building, and the twist at the end . . . well, it left me speechless, a bit breathless. I did not see it coming.
