Customer Reviews

Litany of the Tribes is a compilation of the now out of print Tribebooks Silverfang, Stargazers, Uktena, and Wendigo. The Tribebooks are helpful for building better thought out and fleshed out characters for your Werewolf games. I particularly found this one useful as I tend to play a Silverfang or a Wendigo more often than other tribes.

This book is just like the one they published last. There is no more than about a page of new source material.
