Robert B. Parker's The Devil Wins (Jesse Stone Novels Book 14)

Synopsis

A Norâ™easter blows into Paradise and churns up the pastâ”in the stunning new addition to Robert B. Parkerâ™s New York Timesâ”bestselling series featuring Police Chief Jesse Stone.Â In the wake of a huge storm, three bodies are discovered in the rubble of an abandoned factory building in an industrial part of Paradise known as The Swap. One body, a manâ™s, wrapped in a blue tarp, is only hours old. But found within feet of that body are the skeletal remains of two teenage girls who had gone missing during a Fourth of July celebration twenty-five years earlier. Not only does that crime predate Jesse Stoneâ™s arrival in Paradise, but the dead girls were close friends of Jesseâ™s right hand, Officer Molly Crane. And things become even more complicated when one of the dead girlsâ™ mothers returns to Paradise to bury her daughter and is promptly murdered. Itâ™s up to Police Chief Jesse Stone to pull away the veil of the past to see how all the murders are connected.From the Hardcover edition.

Customer Reviews

Reed Farrel Coleman has done the truly remarkable in a short amount of time. After just two novels, his revival of Robert B. Parkerâ™s Jesse Stone series has moved this already fine canon to the top

of many must-read lists. Coleman hasn't changed the bedrock personality of the flawed and damaged police chief of Paradise, Massachusetts, but has given him a darker and more complex playground to occupy. Throw in some secondary characters, old and new, who are worthy of Jesse's company, and you have a series that not only compels reading but creates anticipation. THE DEVIL WINS begins in the aftermath of a snowstorm that takes down a long-abandoned factory in a downtrodden area of Paradise known as The Swap. The body of a recently murdered, unidentified man is discovered, wrapped in a tarp among the wreckage. Further examination of the crime scene uncovers something nearby that is even more horrific: two long-hidden corpses that solve one of Paradise's long-unresolved mysteries but quickly create another. Two teenage girls had disappeared from Paradise a quarter-century earlier during a Fourth of July holiday. Rumors had abounded as to the reason for their absence --- everything from running away to an accident --- but the discovery of their skeletal remains so close to that of a more recent murder victim reopens wounds in the town that had never healed since their disappearance. Jesse is upset that he was never told of the unsolved disappearances, which has hung like a silent pall over the town, and is all the more distressed when he learns that Molly Crane, a Paradise police officer whom he considers to be his best, was a close friend of both girls and may have information about their final hours.
