(I am a kid on my dad's account.) This was a great book! I honestly read these book whenever I can. This book was amazing because I love Minecraft, I love Steve The Noob, and I love Herobrine. Reading your books always make me happy and I recommend his books to every Minecraft lover

out there. :-) - SkylarHearts.

Herobrine has been struggling to be the greatest warrior. But what I think he tries to do is to kill someone right? So in the next book Herobrine should have a plan to kill Steve. But there is someone more powerful than Herobrine. ENTITY 303! Research him because he's so awesome! I am making lots of reviews to make him famous! Now I am talking to you. You are so fast. You made a book in a week or so. I also suggest to make Herobrine fight the Giant zombie. Difficulty:

Easy/Normal/Hard/Summon Giant Your awesome reviewer: Teslageek. Tes for short P.S. I am making a book that features me Teslageek and futuristic cities and nuke explosions. See you Steve the Pro!

Hey, joowon / superxper here. Just to say this. I hope Steve the noob reads this. Anyway. Hey Steve the pro at making books. I wonder WHAT IN THE WORLD YOU ARE NOT MAKING BOOK FIFTEEN!!!!!!!!!!!!!! (Maybe you are retiring or you are on a break or something? I saw the dates of you publishing the early books. And it was a longgggggggg time for you to publish more books. (It's about more than a month) maybe you want to publish it like the good old days? Perhaps you are making other books or making longerrrrrrrr books. I hope you read this Steve the noob! joowon/superxper

This was so amazing! And I have read a lot of Herobrine books, but this was the best! I don't know how you got those pictures, but they actually fit in with the story, so you obviously made them yourself somehow. They were really good pictures! And you made Herobrine seem less like a machine, and more like a person. You gave him feelings, and he actually was weak and hurt sometimes, like any normal person, but he was overpowered at the same time! And you are a new writer!? You have AMAZING talent!

BEST BOOK EVER PLS I BEG OF YOU MAKE A SECOND ONE PLS I NEED TO KNOW WHAT HAPPENS I loved this book I stayed up all night just to read this book it is all ready 11 o'clock for me pls make a second book of this can't wait.

This book is AWESOME!!!!!!!!!!!!!! it would be even better if you made book 2! Can you please make book 2? that would be the best! this book is: funny awesome full of Herobrine and last but not least monsters getting bashed up into pulp!

This book was AMAZING! I'd rate this five stars any day! If you like this (I know you will) try out Diary of a Mine craft Herobrine!! love how many books they make about Herobrine! Keep up the good work! ^†

I loved it so much!! â••Ed it! I liked the part when herobrine killed the giant zombie and Steve fainted I thought it was so funny and good! I also liked when Herobrine knocked out the Wither! I Loved the Book!
