Shir Hadash (Breishit): New Journeys Along An Ancient Path

Synopsis

The Torah in general, and the Book of Genesis/Breishit in particular, offers inspirational wisdom as to how best live one's life to achieve maximum meaning, ethical behavior, personal satisfaction and communal contribution. This book uncovers much of that wisdom, all the while promoting a vision of traditional Judaism that focuses on the positive contained within it -- the 'shir', or song, of Judaism if you will. For too long people have been misled to believe that traditional Judaism is all about learning how to say 'no' when in fact it is primarily about learning how to say 'yes' in a most insightful, celebratory and powerful way.
