Exalted Books Of Sorcery 5: The Roll Of Glorious Divinity II

Synopsis

A Guide to the Spirits of Malfeas and the Underworld In this fifth of Exalted's five Books of Sorcery, the nature and powers of the myriad of ghosts and demons that have endangered Creation since the Primordial War are explored. Eschewing the Cycle of Reincarnation, ghosts are an affront to the natural order, bringing more power to the Neverborn through their very existence, and even more so through the Ancestor Cult, which promotes ghost worship. Demons, meanwhile, are the spawn of the imprisoned Yozis, called forth from Malfeas to do the will of powerful sorcerers or escaped into the world where they might cause havoc and do the will of their trapped progenitors. Will the returned Lawgivers succeed in curbing these spirits' effect on Creation, or are even the Solars endangered by the machinations of these beings and their dire masters?

Customer Reviews

I purchased this book for a Christmas present for my son. It was half the price of an in store copy and I was a little worried. However, the book got here in excellent condition without a lot of waiting. I would definitely recommend this seller, and will purchase from them in the future.

An excellent addition to any storyteller or player's book collection that provides the reader with a new perspective on some of creation's most dangerous foes. Provides dozens of different individual creatures ranging from simpering minions to powerful creature from beyond the second circle

A great book on the dark gods' evil Demons and the dead ghosts for our Exalted 2ed game so have

fun with it.
