Sea Salt Caramel Murder (A Maple Hills Cozy Mystery Book 4)

Synopsis

Maple Hill Cozy Mysteries can be read in one to two hours. It is perfect for those moments when you are waiting at an appointment or want to enjoy a quick read. Taking a break from the recent murders and intrigues that have plagued Maple Hills, Vermont, Nikki and Detective Hawke take advantage of a generous offer and set sail on the Open Sea Queen. The cruise ship appears ancient and ready to sink, far away from the modern and spacious liner they were promised. Yet with eager hearts the duo, along with their friends, Lidia and her husband, board the aged ship, headed towards Alaskan waters and vistas that will ease their current burdens. Though the old cruise ship may appear decrepit on the outside, inside it proves itself with Titanic like splendor; Lustrous wooden walls, a picturesque lobby, old-fashioned lamps and fireplaces in each room â€“ it is everything they could hope for, and more. Unfortunately, trouble seems to follow Nikki like a dark cloud of misfortune. When the Captain is murdered, it is up to the ready sleuths to get to the bottom of the mysteryâ€ | before the storm barreling down their tail reaches them, and before the murderer can strike again.

Customer Reviews

This book was fantastic!! I have read the series from start to this one and I love them. Nikki and Hawk are so cute together. This one really had my heart pounding especially being out at sea in a storm!! I had the wrong person picked to be the killer once again! This author is very good and has a very creative mind and I love these stories!!! I am onto the next one which is the last one in this series for now and I know that she will surprise us with another book shortly!! I hope they keep coming for a long time because I want to see where the love story between Nikki and Hawk goes!!!

Nikki is a magnet for trouble but with her friends the day is saved. This one had me hoping the life boats were flying machines. There was some good twists and I didn't suspect the real killer. Herbert was my hero with his punch. I can't wait to read the next Nikki and Hawk story!

Have read the 4 books in this series. Enjoyed them. They are just long enough for me to start and finish in a few hours. Thank you.

What's next. Can't wait to read the next book with Hawk and Nikki. The characters are interesting as well as their mystery solving.

Nice cozy read
