A new and vibrant love had risen out of the ashes of this family's pain. *I Do Again* reveals the hidden secrets that slowly destroyed this marriage and the spiritual awakening that opened the way to healing. This book is AMAZING! I heard about this book on a Christian show and had to buy it, because this is EXACTLY what happened in my life! I had an affair and left my husband. We got a divorce and after that, I found the Lord and ended the affair. Shortly after our divorce, God CLEARLY told me it was His will that my ex-husband and I get back together. "Ya, right!" I said. There was NO WAY my ex wanted anything to do with that idea. He hadn't found God at this point, but I continued to tell

him, "I know it's God's will to bring our family back together." Week after week, I would come home from church, call my ex-husband, and ask him to come over. God would put on my heart LOTS of things I needed to ask forgiveness for. Sometimes, he would be attentive, other times, he would be very standoff-ish and distant. I would ALWAYS follow-up with telling him that although I didn't see it happening, I felt it was God's will for us to reunite our family. I became very discouraged off and on. I was very impatient at times and frustrated about the situation. God kept telling me to be patient, but it was so difficult! I said, "God, if this is Your will, please be BOLD and show me this is from You." 2 years went by and after 100s of prayers, 100s of talks with God and trusting in the Lord, my ex-husband approached me on a rainy Sunday and said, "I'm ready. I'm ready to get remarried and recommit to each other and our children! God has been speaking to me for the last few months and I can't ignore Him anymore. I still love you and have always loved you!" Talk about being BOLD!!! God is soooo good! He CAN make miracles happen. This book is a perfect testimony to that, and so is my story. My ex-husband and I remarried a year ago and couldn't be more in love.
